From the MOC Chair...

Lots has happened since our last newsletter, with onsite transformations picking up to create the ultimate She'll Be Right Moot site. The full list of merchandise is now available (see page over, or check the website) and we are confirming various plans. MOC will be taking a short break over Christmas, but registrations can still be completed and we will still be available to answer your questions and back on the ground running early on in the New Year to finalize things for another memorable Moot!

So on behalf of all of MOC, I would like to wish you all an exciting and memorable Christmas, safe travels if you are off on an adventure, helping with a Scouting event or making the most of the sun, and a very Happy New Year! Rover Love, Karen.

There is still space on the Auckland-Moot and return buses, all the details can be found on the website so book in with registration if you want to make the most of this transport option!

Have you registered yet? Tours are filling fast and the full list of merchandise is now available! [Register now](#) to avoid missing out!

We know scraping together enough cash to go to Moot can be a challenge - but we are here to help!

Fundraise as a crew to take the pressure off for a few of you! Or set up a **payment plan**, either with your bank or by emailing admin@shellberightmoot.com for assistance.

Don't leave it until the last minute - if you get in touch now we can come to a solution that works for you!
